## Social Media Release

Our school has a social media account on Facebook and Instagram. This is a space where we occasionally share student photos and videos of our daily activities, classroom functions, and notable work. We do not use the students' names in our posts. Please fill out the form below indicating your preference to have your child's photo/video presence featured on our social media pages.

\_\_\_\_\_ Yes, I give Sikora Montessori permission to use my child's photo/video presence on its social media accounts.
